Jewish Federation of Delaware Recognized for Creative Excellence at the 2025 Summit Creative Award®

Wilmington, DE – September 12, 2025 – Jewish Federation of Delaware has earned a prestigious Bronze award at the Summit Creative Award for its *TOGETHER As One* public awareness campaign. This recognition highlights the exceptional creativity and innovation demonstrated by the Federation, distinguishing their work among thousands of global entries.

"We are honored to receive a 2025 Summit Creative Award," stated Seth J. Katzen, President and CEO of Jewish Federation of Delaware. "Federation centers around collective responsibility and the power of working together for a common cause surely resonates among our greater community."

The Summit Creative Award celebrates creative achievements by small and medium-sized agencies worldwide. Since its founding in 1994, the award has honored inventive concepts, compelling executions, and impactful communications that push the boundaries of creativity.

Entries are evaluated through a blind judging process by an international panel of experts representing diverse industries and perspectives. This process ensures recognition is based solely on the strength of the work itself.

"Winning a Summit Creative Award signifies outstanding creative achievement. It's an honor reserved for work that exemplifies excellence and innovation." – Jocelyn Luciano, Managing Director, Summit International Awards
